Meet...

Andy Dalton

A familiar face to many people who live in Morley thanks to his time spent as the town's Mayor, Andy is a founder of the Church and has remained a sure and steady presence since its beginnings in the year 2000.

1) What does Morley Community Church mean to you?

A haven of peace and purpose where I learn more about Jesus and his great redeeming love for me.

2) How do you use your faith on a practical, day-to-day basis?

It shapes my world view, provides me with values and is the driving motivation in my life - this affects my attitude, employment, politics and the wide range of activities I am involved in throughout the town.

3) If I don't know the Bible that well, which book would you recommend starting with?

Start with Mark's gospel. He doesn't beat about the bush but tells you exactly as it is.

4) Do you have a stand-out Church memory you could tell us about?

The Morley Mine Disaster Memorial Project organised by the church - having a memorial service hundreds of feet underground at the coal face with forty people from the town was not only out of the ordinary- but a very moving experience.

In your Personal Life:

Thank the Lord for the warmth and shelter of our homes.

Verse of The Month

Sometimes, it can be difficult to be selfless. However, in Romans, we're told that:

"We who are strong ought to bear the weaknesses of those without strength, and not just please ourselves."

Can you think of someone you could lend your strength to? We all have weaknesses, but by working together to combine our strengths, think what can be done!

Faith, Friends and Fun.

Maleka Akunay gives us an insight into the Christian Youth weekend she enjoyed during half-term.

On October 20th, Sue Lee kindly took Alina, Annie and I to Garforth Evangelical Church to begin our adventure. The weekend began with a session centred on Matthew 4:19; reminding us that Jesus lived, died and rose again. I found all four sessions over the weekend very powerful as the speaker, Jonathan, was so passionate about God's word. Claudine (the speaker at a number of summer camps) delivered the message in a fun way. We had a night walk, followed by an exciting game of capture the flag; muddy but very fun! The first night was NOT my best night's sleep as 20 girls were sleeping in one room. However, I made lots of new friends! On Saturday, we had a trip to Xscape where I conquered the high ropes; extremely scary but worth it. Jenny Attack, (who encouraged me to go) joined for the rest of the weekend, making the trip even better. Sunday was spent in Church, with a service and another session. I learnt a lot about Jesus and his relationship with Peter and made lots of new friends- a thoroughly enjoyable weekend. I would definitely go again! Thank you to Ray for taking us home!
